

- The date appearing on the artwork layout can be different from the date of the actual delivery of the document.
 This would be caused by the possible additional revisions of the document by the Technical Dpt.
 - If the texts on the top emboss are smaller than 2 mm in height, they will be difficult to read.

The tolerances of cutting, forming and printing are ± 1 mm.
 Please note that electronic artworks are not real colours, they are only indicative.
 Thank you for checking carefully this artwork before signing.
 This is the only valid document for the production of your order

- C+ Overprint Cylinder
- C- Knockout Cylinder
- P Hot Stamp Plate
- T Die Emboss (Inked or dry)
- F+ Overprint Silkscreen
- F- Knockout Silkscreen
